Dear Sir/Madam

**Re: Confirmation of Annual Donation Receipt**

On behalf of Save the Rhino Trust Namibia, I would like to express our deepest appreciation for the generous donation of \$15,000 received from the SwissAfrican Foundation for the 2025 financial year.

Your on-going support and commitment to our cause plays a vital role in enabling us to keep boots on the ground and poaching at bay. Through this partnership we can uplift livelihoods of those employed by SRT and our stakeholders. Your donation will directly contribute to our core costs of fuel and ration needs which are crucial for our success.

We value the partnership built over the years and look forward to continuing our joint efforts in making a lasting impact together.

Thank you for your generosity and trust.

Sincerely

Simson Uri-Khob  
Chief Executive Officer
